We are conducting the first targeted piece of research into the creative sector in Ramsgate. It is funded by Locate in Kent and Arts Council England. The findings of the research will be published in the Autumn and will be available for everyone to use

The aim of the research is to:

---

**Map the creative and digital sector in Ramsgate.**

---

**Identify the needs for future workspaces.**

---

**Explore Ramsgate's potential as a creative cluster.**

---

The research has been commissioned by Heritage Lab CIC with academic support from Canterbury Christ Church University. Heritage Lab CIC is a not for profit company established in 2018. It aims to regenerate historic buildings and community assets to provide quality affordable space for the creative sector and local community to thrive.
